Rally against Presence of Iran's President Ahmadinejad at UN

New York, NY – On Wednesday, September 14, the 'New York Committee against Ahmadinejad (NYCA)' will hold a large rally against Iran's President Mahmoud Ahmadinejad at the Dag Hammarskjold UN Plaza. He is scheduled to address a UN General Assembly meeting on that day.

New Yorkers and Iranian-Americans from nearly 40 states will come together in the rally which will feature distinguished speakers from the United States and Europe as well.

The rally against Ahmadinejad takes place at a very critical time when the issue of Tehran's secret nuclear program and its efforts to possess nuclear weapons has turned into a major international concern. The issue is to be discussed in the September 19 meeting of the International Atomic Energy Agency.

Ahmadinejad, a former senior commander of the Islamic Revolutionary Guards Corps, was a leader of the student group which took over the Embassy. It was reported last week that the legal findings of the US Department of State has determined Ahmadinejad is in fact a terrorist. Some members of the Ahmadinejad's cabinet had roles in terrorist acts committed against Americans including the 1983 suicide bombing of the U.S. Marine barracks in Beirut.

WHEN: Wednesday, September 14
TIME: 11 a.m.
WHERE: The Dag Hammarskjold UN Plaza, E. 47th and First Ave.
